| 1  | Comfortable bed                    | <input type="checkbox"/> |
| 2  | Two or three puppy toys            | <input type="checkbox"/> |
| 3  | A starter lead, harness and collar | <input type="checkbox"/> |
| 4  | Water bowl and food bowl           | <input type="checkbox"/> |
| 5  | Training treats for puppies        | <input type="checkbox"/> |

| No | ADMIN                                              | ✓                        |
|----|----------------------------------------------------|--------------------------|
| 1  | Register at the vets                               | <input type="checkbox"/> |
| 2  | Set-up insurance                                   | <input type="checkbox"/> |
| 3  | Paperwork folder                                   | <input type="checkbox"/> |
| 4  | Check with the current owner what they are feeding | <input type="checkbox"/> |
| 5  | ID tags                                            | <input type="checkbox"/> |

| No | PUPPY CARE                 | ✓                        |
|----|----------------------------|--------------------------|
| 1  | Disinfectant for accidents | <input type="checkbox"/> |
| 2  | Poop bags and dispenser    | <input type="checkbox"/> |
| 3  | Dog first aid kit          | <input type="checkbox"/> |
| 4  | Puppy pads or newspaper    | <input type="checkbox"/> |
| 5  | Wipes for quick clean-ups  | <input type="checkbox"/> |

| No | PUPPY PROOFING                        | ✓                        |
|----|---------------------------------------|--------------------------|
| 1  | Secure/hide cables                    | <input type="checkbox"/> |
| 2  | Remove small objects/choking hazards  | <input type="checkbox"/> |
| 3  | Baby gates where needed (e.g. stairs) | <input type="checkbox"/> |
| 4  | Consider a puppy pen if needed        | <input type="checkbox"/> |
| 5  | Puppy proof the garden too            | <input type="checkbox"/> |

| No | SOME ADDITIONAL THOUGHTS                                                                                  | ✓                        |
|----|-----------------------------------------------------------------------------------------------------------|--------------------------|
| 1  | Consider a clock in the room where puppy will sleep that makes an audible sound to mimic heartbeat of mum | <input type="checkbox"/> |
| 2  | Research puppy classes - puppy can't start until after vaccines completed                                 | <input type="checkbox"/> |
| 3  | Discuss and decide in advance where puppy will sleep                                                      | <input type="checkbox"/> |
